

Neighbours

Introduce yourself to the neighbours.
Get to know your community.

Be considerate to your neighbours and residents in the community. Keep unnecessary noise down especially late at night/whilst walking home.

Rubbish & Recycling

Put rubbish out after 4pm the night before, or before 6am on the collection day.

It must be placed on the pavement.

Recyclables are collected fortnightly. A collection calendar can be found at www.cardiffdigs.co.uk

Security

Lock your doors and windows. Opportunist burglars check if they're open.

Many types of front/rear doors do not lock automatically when pulled shut. Even if you are at home make it a habit to LOCK the door.

Be aware of door to door sales – do not hand over personal bank details

Take out insurance for your personal property

Try not to bring a car to Cardiff. If it's essential make sure there is adequate parking and get a permit.

Health & Safety

Familiarise yourself with how to turn off the water/gas/electricity at the mains

Make a regular check that the battery on your fire alarm still works.

Check your gas safety certificate is updated by gas safe register

Register with a local doctors and dentist surgery
