

Your Waste and Recycling Collections

PLASNEWYDD / ROATH

Your collection day is

THURSDAY

Put your recycling and waste out on a Wednesday evening.

Use this rota, to agree who is responsible for putting out your recycling and waste each week.

It's just as important as deciding who is going to cook and clean!

By agreeing who is responsible, you can make sure you don't end up in a mess, and do your bit to keep your community clean.

Recycling and food waste goes out **EVERY** week.

Your general waste is collected every 2 weeks.
